Complete this return if you made expenses payments or provided benefits to an employee but you have not completed a form P11D because he or she earned at a rate of less than £8,500 during the year 6 April 2023 to 5 April 2024.

Brief notes are included on this form. Our booklet 480 "Expenses and Benefits - A Tax Guide" gives more detailed information.

Send the completed P9D to your Inland Revenue office by 6 July 2023. You must give a copy of this information to the employee by the same date.

You do not need to include the information shown on this form in any return on form P11D(b). Class 1A National Insurance contributions are not due on benefits reported on form P9D. See our leaflet CWG5(2007) *Class 1A National Insurance contributions on Benefits in Kind*.

### Note to employee

Your employer has filled in this form. Keep it in a safe place as you may not be able to get a duplicate. You will need it for your tax records and to complete your 2023 - 24 Tax Return if you get one.

The box numbers on this P9D have the same numbering as the Employment Pages of the Tax Return, for example, 1.12 include the total figures in the corresponding box on the Tax Return, unless you think some other figure is more appropriate.

Your tax code may need to be adjusted to take account of the information given on this P9D.
