Class 1A National Insurance contributions (NICs) due

Employers pay Class 1A NICs on benefits which have to be returned on forms P11D except where Class 1 NICs or Class 1B NICs are due. To help you identify the benefits where Class 1A NICs are due, the boxes on the form P11D are brown and are marked 1A. Before completing the forms P11D and this Return, read the P11D(Guide) and booklet CWG5(2010) Class 1A National Insurance contributions on benefits in kind. A guide for employers.

Forms P11D

As an employer you must complete a Return of expenses payments and benefits, form P11D, for each employee paid at a rate of £8,500 or more a year and for each director if:

- you have provided them with expenses or benefits which are not covered by a dispensation or PAYE Settlement Agreement
- you have arranged for expenses or benefits to be provided by a third party.

Send this declaration with the completed forms P11D to your HM Revenue and Customs office. If you choose to send the forms P11D in batches, send the declaration with the final batch.

References in this Return to forms P11D and HM Revenue and Customs office should be read as including the return of expenses payments and benefits by magnetic media to Shipley Data Centre.
