What to select at "signing up capacity" while registering ourselves on MTDVAT Application?

When registering (Signing Up) for MTDVAT on your own, you will encounter an option known as **"Sign Up Capacity"**. Subsequently, you will be presented with a variety of options, such as **"(Employee / Sub Contractor / Client Sign Up)"**, **"(Employer / Agent / Service Provider Sign Up)"**, and **"(Other's Sign Up)"**. You can then select the category in which you fit and continue signing up.
