

What does "Net Sales and Outputs Box 6" in the spreadsheet of MTDVAT mean?

This is the total value of sales and all other outputs excluding any VAT.

Please note the following when you enter the amount:

- 1.** It must be in a numeric format and can be positive, zero or negative.
- 2.** It must be in whole pounds.
- 3.** It must not exceed 13 digits, with the addition of a possible minus sign.
- 4.** A thousand comma separator within the figure is not allowed.
e.g. the figure 1,234 is invalid. It should be entered as 1234 without the comma.
