

# User Account Settings

## How do I view (or) edit my System administrator's contact details on MTDVAT?

Click on hamburger menu located on the right-hand side of the top-right-hand bar of your MTDVAT app. In the menu bar, you will see the option "Client Manager (view/edit)".

Here, you can edit the required information and save it in the same page.

### RoadMap on how to edit contact details of System Administrator:

RoadMap: **Hamburger menu → Client/Trader Manager → Select the trader to whom you wish to edit the contact details and click on View/Edit → Company/Agent Setup → →Manage Assistant Administrator → Click on blue button → view / edit details →Click Save data & back.**

Pls view the video demo below how to add & view edit assistant user details.
